

brunner ::

A modern, minimalist cafeteria interior. The space features a dark, patterned floor with a repeating circular motif. On the left, there is a long, light-colored upholstered bench with several long, dark wooden tables and black chairs. In the center and right, there are round wooden tables with black chairs. The ceiling is dark with several pendant lights hanging from it. In the background, there is a service counter with shelves and more tables. Large windows on the right side provide natural light. The overall aesthetic is clean and contemporary.
