Product idea.

One for all. And all for one.

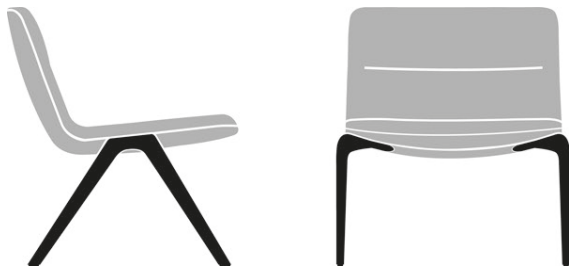

- Expansion of the A-Collection to include a single lounge chair for use in the lounge and waiting area
- First-class seat comfort from the upholstered shell thanks to fully padded metal tubular frames, padding underneath with flexible NOSAG springs, and an additional cut foam inlay
- Polished or coated die-cast aluminium feet, also optionally available in laminated oak wood
- Numerous possible combinations within the A-Collection or even with side tables from the break, valet or lift ranges
