banc

Simply an inspiring system.

brunner ::

banc

- Lounge system featuring many combination options
- The modular kit for architects
- Clear, elegant formal language thanks to U-shaped, puristic bench
- Lightweight, stable aluminium frame
- Cushions and seat elements available in three different back heights
- High degree of seating comfort, even during intensive usage, thanks to intelligent inner structure
- Also available as single-seater with extendable and swiveling writing table
- banc media offers contemporary electrification
- Mobile seating elements and tables complement the bench elements
