fina collection

Attractive seating furniture – innovative and individual.

fina

- Versatile deployment
- Innovative shaped wood seat shell: stable, yet delicate – inside only 1.5 cm, outside only 5 mm thickness
- Shaped wood or plastic seat shell
- Shaped wood shell with different upholstery variants
- Plastic shell suitable to fulfill contract furniture requirements, featuring a glass fibre reinforced core area, two-coloured: High-gloss back, matt white front
- Different frame versions
- Optional: Armrests available in different versions

fina fold

- Mobile nesting table that has joined the fina conference and fina flex series

- Single-column table (up to and including 1 m depth)

- Two-column table (from 1 m depth) with intelligent gas pressure spring for easier handling and keeping the table securely vertical

- New, flat foot extension with matching design for space-saving stacking

- Sturdy, tried and tested folding mechanism makes the table easy to use and handle

- Large, adjustable casters for a steady footing and for bridging over minor surface floor unevennesses

- High-quality table top models, similar to the fina conference series

- Table top surface in HPL or walnut or oak stain

- With new, swivelling mesh modesty panel
