BRUNNER
HOTEL & GASTRONOMY

„Guests should
leave the building
happier than when
they arrived.“

WELL-BEING AT FIRST GLANCE.

"Only a guest who feels at ease will come back. "
A motto that applies to both gastronomy and the hotel industry. Be it to meet, savour, celebrate or relax – furniture in these industries needs to withstand a wide variety of situations.

Thanks to the functional design, modularity and durability, Brunner furniture always looks the part in your establishment. With a unified design language, from the lounge chair to the weatherproof outdoor chair, our product ranges create a harmonious impression throughout the building.

Whether for the lounge or dining area: it looks perfect at your establishment.
